

The Loco-Motion

Kylie Minogue

Everybody's doin' a brand new dance now
(Come on baby do the locomotion)
I know you'll get to like it if you give it a chance now
(Come on baby do the locomotion)

My little baby sister can do it with ease
It's easier than learning your A B C's
So come on, come on, do the locomotion with me

You gotta swing your hips now
Come on baby, jump up, jump back
Well, I think you got the knack, ohh

Now that you can do it, let's make a chain now
(Come on baby do the locomotion)
Chug-a chug-a motion like a railway train now
(Come on baby do the locomotion)

Do it nice and easy now don't lose control
A little bit of rhythm and a lot of soul
So come on, come on, do the locomotion with me

Come on, do the locomotion
Come on, do the locomotion
Come on, do the locomotion
Come on, come on, come on, come on

Move around the floor in a locomotion
(Come on baby do the locomotion)
Do it holding hands if you got the notion
(Come on baby do the loco-motion)

There's never been a dance that's so easy to do
It even makes you happy when you're feeling blue
So come on, come on, do the locomotion with me

You gotta swing your hips now
Come on baby, jump up, jump back
Well, I think you got the knack, ohh

Do the loc, do the loc, do the loco locomotion
(Come on do the locomotion)
Do the loc, do the loc, do the loco locomotion
(Come on, do the locomotion)

Come on baby
All that you can do is come on baby
Come on, come on, come on, come on...
Come on!
