

# Wouldn't Change a Thing

Kylie Minogue

I wouldn't change, I wouldn't change, I wouldn't change  
I wouldn't change, I wouldn't change

Some people don't understand  
What I see in you, if only they knew  
They think my head's in the sand  
They'll never see the best side of you

Is my heart ruling my mind  
Maybe I'm not right every time  
But I know I'm right about this love of mine

If I had to do it all again  
I wouldn't change a single thing  
There's no questioning in my heart  
When it comes to our love  
I wouldn't change a thing

Yeah, I've had my doubts  
My ups and downs on the merry-go-round  
They say my heads in the cloud  
But I'm keeping one foot on the ground

I know they say love is blind  
But he's the best thing that happened to me  
And I'm not ashamed for the world to see

If I had to do it all again  
I wouldn't change a single thing  
There's no questioning in my heart  
When it comes to our love  
I wouldn't change a thing

I wouldn't change, I wouldn't change  
I wouldn't change, I wouldn't change

Is my heart ruling my mind  
Maybe I'm not right on every thing  
But I know that I'm so right about him

If I had to do it all again  
I wouldn't change a single thing  
There's no questioning in my heart  
When it comes to our love  
I wouldn't change a thing
