

# Freedom Run

Kyuss

Freedom run  
Freedom run  
Freedom run

Free to run  
Free to run  
Free to run

Freedom run  
Freedom run  
Freedom run

No break through  
I steal for you, I need you  
And there's nothing you can do, yeah

Walked hundred miles of desert sun  
To grasp the chance that I'll be gone  
Be one with you, yeah

Freedom run  
Freedom run  
Freedom run

Well, I'll break through  
Well, I steal for you, well, I need you  
And there's nothing you can do, yeah

No form in past, I hope you last  
You're in my grasp  
I loved you, oh yeah

Freedom run  
Freedom run  
Freedom run  
Freedom run
