

I'll Never Love Again

Lady Gaga

Wish I could, I could've said goodbye
I would've said what I wanted to
Maybe even cry for you
If I knew it would be the last time
I would've broke my heart in two
Try to save a part of you

Don't want to feel another touch
Don't want to start another fire
Don't want to blow another kiss
No other name falling over my lips
Don't want to give my heart away
To another stranger
Won't let another day begin
Without the sunlight in
I'll never love again
I'll never love again, ooh

When we first met
I never thought that I would fall
I never thought that I'd find myself
Lying in your arms
And I wanted to tell that it's all true
Oh baby, don't you know?
'Cause my world keeps turning, and turning, and turning
And I'm not moving on

Don't want to feel another touch
Don't want to start another fire
Don't want to blow another kiss
No other name falling over my lips
Don't want to give my heart away
To another stranger
Won't let another day begin
Without the sunlight in
No, I'll never love

I don't wanna know this feeling
That ?? for you and me
I don't want to wait no more
And I don't wanna dance for you
For better times we're in
I don't wanna wait for you

Don't want to feel another touch
Don't want to start another fire
Don't want to blow another kiss
Baby, I'm a stain on your lips

Don't want to give my heart away
To another stranger
Won't let another day begin
Won't let the sunlight in
No, I'll never love again
Never love again
Never love again
Oh, I'll never love again
