

## 9 to 5

Lady Sovereign

OK yo....

I wake up late every morning  
Managers calling I'm still yawning  
Get up wake up hair and make-ups  
Waiting for you don't be stalling  
This performance is important  
I don't think I can put my all in  
Hold on I was drunk last night  
Now it's all kicking in and I don't feel right  
Gave my number to a breh who wasn't my type  
Now my phone's on silent I'm being polite  
Now private callers get no love from me  
Just let me be...

Oh my gosh my days are getting longer  
There's no turning back 'cause I'm working the 9 to 5  
To keep my contract did I say 9 I meant 1:30  
I'm no early birdy I'm lazy that's all that I can say  
So make sure you heard me  
And there's no turning back 'cause I'm working a 9 to 5

So you gotta...do...sum...ite... for...channel...u  
Channel who sorry who I'm altered for snooze  
Oh! Channel U the ones that made me huge  
Like Katie Price's boobs  
Whoops I'm being rude  
Where's my Red Bull and my sandwich I need food  
I can't handle this  
I'm getting pissed like pampers throwing a tantrum  
"Action"  
Nah I'd actually rather catch my z's and count sheep in my sleep  
Let's not wake her up she actually looks quite sweet

Oh my Gosh my days are getting longer  
And there's no turning back 'cause I'm working a 9 to 5  
To keep my contract did I say that I meant 1:30  
I'm no early birdy I'm lazy that's all that I can say  
So make sure you heard me  
I ain't no early birdy  
Won't wake up till 12:30

I couldn't be bothered to say much ere  
So oh dear  
Huh where am I man..?  
This... ain't good... what's going on?!

So my label have changed my image  
I'm a pink lipstick chick called dipstick  
This ain't on my wishlist  
Oh shit I'm in FHM posing in a bikini  
Next to a Lamborghini  
Next stop the theme tune for Tweenies  
I'm presenting C-beebies  
[pukes] Have you seen me?  
Never again, am I drinking lambrini?  
"It's alright, Sov it's a dream... just wake up!"

Oh my Gosh my days are getting longer  
And there's no turning back 'cause I'm working the 9 to 5  
To keep my contract did I say that I meant 1:30  
I'm no early birdy I'm lazy I'll say it again  
To make sure you heard me  
I ain't no early birdy  
Won't wake up to 12:30  
And I can't be bothered to say much ere  
So I'll say it again
