Lady Sovereign

Everybody in the club getting' tipsy,
Oh fuck that, just whine like a gypsy,
Can't see straight, like I got one eye (pop),
Your bottle opener or mine,
Let's... get started,
Move your arms round like fucked up karate,
Oh shit... my word plays nasty,
Oh shit... don't put it past me,
Move titch get out the... way,
Ah, enough of that I'm here to stay...,
Flow lazy... pick the pace up when I flow less hazy,
J-Lo's got a batty,
Well you can't see mine 'cause I wear my trousers baggy,
Anyways... yeah, let's... commence....

R: Everybody get random
All gyal them, all man them
Everybody get random
Jus' do something random
Everybody get random
All gyal them all man them
Sovereign get random
Jus' do something random

Smokin' kills and so do my lyrics,
If you're poppin' pills then trust you're not with it,
'cause I got the skills,
And I'm over the limit,
Dishin' lyrics like meals every second every minute,
Ding! Dong! Special delivery (hello),
Biggest midget in the game, can't get rid of me,
Give me just a minute and I'll be your vicinity,
My words hurt you jus' like loosin' your virginity (owww),
Well, I'm right thur,
Na' tell a lie 'cause I'm right there,
Right hurr na' right here,
Now get off your churr, I mean chair,
Some English MC's get it twisted,
Start sayin' cookies, instead of biscuits!

Anyways... yeah, let's... commence...
