

Billy Club has got his strength  
It places him above them  
The feeble incompletes  
Billy Club has found his pride  
He looks down on their state  
The verdict justified

It's self-defense  
It's vigilance  
It's nature's call  
Oppose them all  
The lesser ones are  
The vital threat  
He needs them

Billy Club has got his faith  
He's followed every lead  
Set down in history  
Billy Club has found his place  
It's comforting and cold  
It's here he realized his role

And here it comes  
That old defense  
He's consequence  
But he has chosen  
The iron grip  
His Billy Club

Desensitized.  
He's everywhere  
He's anyone.  
He's every...

Billy Club has got his strength for this world
