

## Western Settlements

Lagwagon

A hell of a thing  
Hanging a man  
Taking everything he has  
And all he'll ever have  
Small irony  
That man surely created me

Held by his reins  
Till his last breath  
These tiny spells of me  
Increments of death  
By the millions  
Millions are being taken

I am you  
I am everything you own  
I am you

The things we do for love  
The tribes we aim to please  
Entitlement and title  
Through dues and monthly fees  
Interest, interest, time  
All that you risk acquired

Character, capacity  
Collateral and conditioning  
You said credete  
I said believe in me

I'm not accountable  
They rush the queue alone  
Competitors, predators and drones  
These Western settlers  
I've always warned them  
Just like your Granddad said  
Never spend what you don't have

I am you  
I am everything you own  
I am you  
I am you  
I am everything you owe  
I am you  
I am you  
I am everything you own
