

# Young Blood

Lake Malawi

Annette, you could be my Juliet  
Young blood in your veins  
Age doesn't matter anyway  
Be my shelter from the rain

Young blood, oh young blood, oh  
You're not alone, no  
Young blood, oh young blood, oh  
Come on, come on, come on!

Ooooooh... Ooooooh...

Annette, I remember the day we met  
Young blood in your veins  
Time doesn't matter anyway  
But the distance feels the same, eh

Young blood, oh young blood, oh  
You're not alone, no  
Young blood, oh young blood, oh  
Come on, come on, come on

Young blood, young blood  
You're strong  
Come on, come on, come on  
Young blood, young blood, oh  
Come on, come on, come on!

Young blood, young blood!  
You're not the only one  
You're not the only one!

Young blood, young blood  
You're shining like the sun  
You're not the only one  
You're not the only one!

Ooooooh... Ooooooh...
