

Condemn the Hive

Lamb of God

Soon come a burning,
Soon come a reaving,
Spare the rod, spoil the child,
Reserve the righteous beating.

Hubris has been spoon-fed to you,
On a silver platter,
The weak run weeping
Delusion shattered.

No one owes you a god damn thing.

Bloated with pride, you're privileged once,
You're walking the line, you're life's fucking done.
Bloated with pride, you privileged ones
Condemn the hive.

The well's run dry,
Narcissist fills it with tears of blood.
More than you know
choking laughter, deep in the cut.

No one cares what the fuck you think.

Bloated with pride, you're privileged once,
You're walking the line, your life's fucking done
Bloated with pride, you're privileged once,
Condemn the hive.

Say goodbye, worthless beginners,
Severed all reason, in a fractured mirror,
Solid stares, uneven high expectations,
A generations entitlement comes undone,
Your life is fucking done.

Your pitiful life,
condemning the hive
So feeble inside,
condemning the hive
condemning the hive.

Bloated with pride, you're privileged once,
You're walking the line, your life's fucking done
Bloated with pride, you're privileged once,
You're privileged once.
