## **Please**

Lamb

It's two in the morning
I'm calling your name
Your voice on the line is
So far away

And my heart reaches out there And finds you gone You walk a path lonely But you're never alone

And I'm begging you, please Please, let me in Please, please Let me in

I know there are times when In ashes you lie Each one has a shadow We can't deny

But there in your darkness Living your pain Wanna wrap you in love, babe Again and again

I'm begging you, please
Please, let me in
Please, please
Let me in

Listen my fiery one Gonna make it on your own Look at what we have done to heal

Please, please Let me in Please, please Let me in

I'm begging you
I'm begging you
I'm begging you
Please, please, please
