

Nothing Even Matters

Lauryn Hill

Now the skies could fall
Not even if my boss should call
The world it seems so very small
'Cause nothing even matters at all

Nothing even matters
Nothing even matters at all
Nothing even matters
Nothing even matters at all

See I don't need no alcohol
Your love makes me feel ten feet tall
Without it I'd go through withdrawal
'Cause nothing even matters at all

Nothing even matters
Nothing even matters at all
Nothing even matters
Nothing even matters at all

These buildings could drift out to sea
Some natural catastrophe
Still there's no place I'd rather be
'Cause nothing even matters to me

Nothing even matters
Nothing even matters to me
Nothing even matters
Nothing even matters to me

You're part of my identity
I sometimes have the tendency
To look at you religiously
'Cause nothing even matters to me

Nothing even matters
Nothing even matters to me
Nothing even matters
Nothing even matters to me

Now you won't find me at no store
I have no time for manicures
With you it's never either or
'Cause nothing even matters no more

Nothing even matters
Nothing even matters no more
Nothing even matters
Nothing even matters no more

Now my team could score
And make it to the Final Four
Just repossess my 4x4
'Cause nothing even matters no more

Nothing even matters
Nothing even matters no more

Nothing even matters
Nothing even matters no more
