

Fly Me To The Moon

LaVern Baker

Oh, how I love him
But sometimes
I just can't find the words

In other words, hold my hand
In other words, baby
Just come on and kiss me

Fill my heart with song
And let me sing forever more
You are all I long for
All I worship and adore

In other words, please be true
In other words, I want you
To know that I love you

In other words, please be true
I said, in other words, I love you
In other words, I love you
