Uh, I know it's going to kill me but I just can't let it go And the taste so appealing got a grip upon my soul These honey dip lies mesmerize me Pride's got it's crooked fingers twisted all inside in me Fools walk the path I'm on, never to be seen again Sipping on seduction while we eating on some secret sin (Not a lot of love and mercy) says the whisper in my ear And I know I should be over this, but I ain't seeing clear And I ain't leaving here, unless somebody save me Walking to my grave letting evilness enslave me Evil looks so lovely covered in her lace of lies And the silky smooth seduction just manipulates my mind Her fabrical fabrication is fueling my fascination While I'm intoxicated she starts her assassination I'm losing all my honor and my years to the merciless Giving all my life away but I'm just so immersed in this (killa

Baby this is innocent (Killa) it won't even hurt a little bit (Killa)

I'm only here for your benefit (killa) I'm your every wish (Killa)

Come on and let me in (killa), baby this is innocent (Killa) And it won't even hurt a little bit (Killa) Close your eyes and let's get lost tonight

(Killa) Would it be alright? You'll see (killa)

Her feet go down to DEATH, so don't let her consume you Even though her heart is black, her exterior's beautiful She'll take your life away, strip away your joy Pretends that she gon build you up but she's just gon destroy you

My friends fell low, when they was so high
Got me running scared of myself, no lie
And I know I'm gon die, I tried cold turkey
But when I'm feeling worthy, Satan's sure trying to merk me
I'm doing myself dirty, flirting with what's perverted
I should follow the word but I guess I'd rather be murdered
Excuse me I mean martyred 'cause I'm killing myself
My sin conceived a baby, and we gon name it death, breath
(Gasps) -Taker, she take my breath away
Replaces it with poison and I'm so swept away
I need some bread today hope I wake up
Before they start my wake up somebody make me break up
I'm dating a (Killa)
