

# If It's Wrong

Leela James

Wrong

Let it do what it do

I think I love you

I've got this

Funny little feeling

Down in my

Inner most spirit

I can't help it

You stay on my mind

Feels so good

But it can't be right

If it's wrong, loving you

Then wrong will be right

Don't care if it's wrong

Let it do what it do

'Cause I think I love you

I love you

I try to stop it

'Cause we're so out of our Set it tripping

Emotional orgy

This is nonsense

Can't keep doing this

I should let it go

But I can't 'cause I know it's wrong

If it's wrong, loving you

Then wrong will be right

Don't care if it's wrong

Let it do what it do

'Cause I think I love you

I love you, love you

I love you, I love you

I love you, I need you

I love you, I love you

I love you, I love you

I love you, I do

If it's wrong, loving you

Then wrong will be right

Don't care if it's wrong

Let it do what it do

'Cause I think I love you

If it's wrong, loving you

Then wrong will be right

Don't care if it's wrong

Let it do what it do

'Cause I think I love you

I love you, I love you  
I love you, I love you
