It's Alright

Leela James

Hmmm, dear... naw,
To whom it may concern

I guess this is my reward
For giving him all my love
With holding nothing yeah
nothing could quantify
the feelings I had in side
Still he took me for granted

Don't worry about nothing, don't, don't worry bout nothing
It's all for the good
It's better this way
(To whom it may concern) well
It's alright It's alright
Coz I tried and I tried
It's alright It's alright
And I cried and I cried
It's alright It's alright
But it's alright now (But it's alright now)
It's alright It's alright
(said it's alright)

I thought he was infallible
Perfect in every way
King to to my kingdom
I put him on a pedestal
Never thinking he'd hurt me this way
(How could you hurt me this way?)

Don't worry about nothing,
Don't, Don't worry bout nothing
It's all for the good
It's better this way
(To whom it may concern)
It's alright It's alright
Coz I tried and I tried
It's alright It's alright
And I cried and I cried
It's alright It's alright

But it's alright
It's alright (But it's alright now) It's alright
(To whom it may concern)
It's alright
Coz I tried and I tried
And I cried and I cried
It's alright It's alright
I, Still it's alright now, yeah
Don't worry about nothing,
Don't, Don't worry bout nothing
It's all for the good
It's better this way

Boy you know I loved you boy I loved you boy
And Boy you know you hurt me, you hurt me, you hurt me boy
But in time, I heal

And I want you to know, I
I said I love you boy

And you didn't have to hurt me so bad
I said I love you boy
It's alright
Don't worry about nothing,
Don't, Don't worry bout nothing (Don't worry about me)
It's all for the good
It's better this way

Coz I'm alright
(I'll be alright)
It's alright It's alright (Oh, it's alright)
It's alright It's alright
I tried (I'll be alright)
It's alright It's alright
And I cried
It's alright It's alright
And, I tried
And you didn't have to hurt me so bad
I tried (I'll be alright I'll be alright)
And you didn't have to hurt me so bad
(I'll be alright I'll be alright)
