

Let It Roll

Leela James

Why you stressing?
Why you worrying about it?
Where there's a will
There's a way out around it
If you can't change it
Just forget all about it

Just let it roll
And let it go
Just let it roll
And let it go
Let it go
Just let it roll

This misery loves
To keep company
And Mr Hater
He's unhappy
And I won't let him
Take my joy from me

I'll let it roll
And let it go
Just let it roll
And let it go
Let it go
Just let it roll

Let it go, let it roll
Let it go, let it roll
Let it go, let it roll
Let it go, let it roll

Why you stressing?
Why you worrying about it?
Where there's a will
There's a way out around it
If you can't change it
Just forget all about it

Just let it roll
And let it go
Just let it roll
And let it go
Let it go
Just let it roll

Just let it roll
And let it go
Just let it roll
And let it go
Let it go
Just let it roll

Let it go
And let it roll
Let it go

And let it roll
Let it go
And let it roll
