

# Prayer

Leela James

Oh, oh, oh

Livin' in a cold, cold world  
Sometimes it gets hard and you feel like  
You can't make it out

When I was just a little girl  
My momma told me don't you worry  
Hold your head  
And wear a smile

'Cause you're gonna have days  
When you feel like things ain't goin' your way  
Just take a moment  
And pray

Where would I be? (I don't know)  
Where would I be?  
Where would I be?  
If you ain't never heard a prayer from me?

What would I do?  
What would I do?  
What would I do  
If I didn't have you to be there for me?

And I'm so thankful for  
All the things you've done  
Showing me right from wrong  
And cleansing my soul

When all my friends turned their back on me  
You made me see  
You're the only one I need

Way in the midnight hour  
I called your name  
'Cause I knew you were watchin' over me  
And I don't know just where I'd be  
If somebody never said a prayer for me

And I thank you, Lord  
Where would I be without you?  
And what would I do?  
I just want to thank you, Lord  
For never leaving my side  
Through my trials  
And all my tribulations

You stayed beside me  
And I thank you

I just want to thank you, Lord
