

I Love You Mostly

Lefty Frizzell

I love you mostly
'Cause you're so kind and true
Seems there's nothing you wouldn't do
To prove your love for me

As long as we're together
My life will be complete
I'll love you forever
Well I lay my heart at your feet

I love you mostly
For your sweet tenderness
And the softness of your caress
Brings nothing but happiness

I love you mostly
For your sweet tenderness
And the softness of your caress
Brings nothing but happiness

As long as we're together
My life will be complete
I'll love you forever
Well I lay my heart at your feet

I love you mostly
For your sweet tenderness
And the softness of your caress
Brings nothing but happiness
