I Was Coming Home To You

Lefty Frizzell

I just stopped off for a quick one at the tavern just a drink w ell maybe I had two But I swore as I sit down at her table then darling I was comin g home to you Can't I help it if she was going my way and we talked about old times we used to know But I'm sure we had the green light at the corner Anyone who saw the wreck will tell you so I was only goin' to drop her off at her place And then darling I was coming home to you When you came you saw her lying there beside me But believe me dear that old romance is through And even though you saw her arms around me darling I was coming home to you Oh yes darling I was coming home to you
