

She's Gone Gone Gone

Lefty Frizzell

She said If I ever deceived her
She'd be gone before I could count ten
I guess that I didn't believe her
'Cause look at the trouble I'm in

She's gone, gone, gone, gone, gone, gone
Crying won't bring her back
The more that I cry, the faster that train
Flies farther on down the track

I've lost every right to be happy
When I lost the heaven I found
She warned me she'd leave and she left me
Before my first tear hit the ground

She's gone, gone, gone, gone, gone, gone
Crying won't bring her back
The more that I cry, the faster that train
Flies farther on down the track

If I only knew where to find her
I'd crawl there on my hands and knees
Each tick of the clock's a reminder
She's one second farther from me

She's gone, gone, gone, gone, gone, gone
Crying won't bring her back
The more that I cry, the faster that train
Flies farther on down the track
