

Go

Lemon Jelly

Go

Go

And so i went, alone

East, west

East, west

East, west

East, west

I went throughout the land

Ah hour an hour the days went by

From dawn 'til setting sun

East, west

East, west

East, west

East, west

Near and far, the desert sand

The mountain quest

I knew someday I'd face the test

And sure enough

A moment later

And so at last

I understood

Go
