

## Death & Submission (Requiem Aeternam)

Lemuria

As clouds engulf the land in darkness  
Clattering echoes will the streets  
Riding out into the moonlight  
A band of blades sent forth  
To seize the unsuspecting dissident

Give up now heretic, the time for justice is at hand  
No longer you fiendish maggots shall pervert the book of Christ  
Abjure your faith, dissenter  
Give me all you know  
You've mocked the church one time too many  
The choice is yours, yield or die!

We won't give in to your demands  
Your aims are foul, your ways depraved  
You fill the hearts of men with fear  
Imposing your will by slaying true devouts

Choose your next words wisely, heathen  
Or you'll feel the wrath of God  
It's your last chance to save your soul  
Before endless damnation  
Repent your sins and unbelief  
And thou shall be absolved  
Embrace the one true faith  
Or die at the stake

We'd rather die than to betray  
We will remain true till the grave  
We won't go down without a fight

So be it, fool  
Your unwillingness shall be your end

"We'd rather die than to betray"

He felt a white searing pain as iron tore through his flesh  
Overthrown by torment  
Consciousness fading away  
All hope was lost

Requiem aeternam  
Dominus, illuminatio mea  
Dominus, a cruce salus  
Dominus  
In Aeternum

Death shall cleanse my soul  
May my spirit be freed from this earthly hell

Condemned to purgatory  
Sentenced to slowly rot away  
The final hour approaches  
Is this the end of my reign?

"We shall not renounce our faith  
May your lord have mercy on your souls

And you betrayer, may your soul be crushed  
And trapped forever in this world, you treacherous swine!
