

## Then I'll Be Tired Of You

Lena Horne

You look at me and wonder  
You look at me and doubt  
Darling, your eyes are asking  
'Will the flame burn out?'

No one is sure of sunshine  
No one is sure of dawn  
But I am sure  
My love will live on and on!

I'll be tired of you  
When stars are tired of gleaming  
When I am tired of dreaming  
Then I'll be tired of you!

This I know is true  
When winds are tired of blowing  
When grass is tired of growing  
Then I'll be tired of you

Beyond the years 'till day is night  
'Till wrong is right, 'till birds refuse to sing  
Beyond the years the echo of my only love  
Will still be whispering, whispering!

If my throbbing heart  
Should ever start repeating  
That it is tired of beating  
Then I'll be tired of you!
