

Stand by My Woman

Lenny Kravitz

There were times I wasn't kind
And there were times I wasn't even around
And there were times I made you cry
So many times I had to say goodbye
When you want to talk
I'm on the phone
But now baby I am here for you alone

I'm gonna stand by my woman now
I'm gonna stand by my woman now
'Cause I can't live my life alone
Without a home

There were times I didn't understand
And there were times I wouldn't hold your hand
But baby now I'm here for you
'Cause baby I am so in love with you

I'm gonna stand by my woman now
I'm gonna stand by my woman now
'Cause I can't live my life alone
Without a home

I'm gonna stand by my woman now
I'm gonna stand by my woman now
'Cause I can't live my life alone
Without a home

I'm gonna stand by my woman now
I'm gonna stand by my woman now
'Cause I can't live my life alone
Without a home
Stand by my woman now
I'm gonna stand by my woman now

'Cause I can't live my life alone
Without a home
Without a home
