Over the horizon She's smooth sailin' These concrete seas Now she's headed East down the boule - the vard Sugar Said I like the way (like the way) Said I like the way (like the way) You sail your ship down Let me be your cargo I won't wear you down No honey I won't Wear you down I don't really know Her destination But I get a feeling I Get to be your passenger Sugar let me be your passenger Sugar Said I like the way (like the way) Said I like the way (like the way) You sail your ship down Let me be your cargo I won't wear you down No honey I won't Wear you down She's smooth Smooth sailin' (Smooth sailin' yeah) She's smooth Smooth, darling Sweet pretty baby Won't you be my lady, oh Sweet Honey, darling You know I'm calling I want you Sugar Said I like the way (like the way) Said I like the way (like the way) You sail your ship down Let me be your cargo I won't wear you down No honey I won't Wear you down She's smooth Smooth sailin' (Smooth sailin' yeah)

She's smooth Smooth, darling

Sweet pretty baby
Won't you be my lady, oh
Sweet Honey, darling
You know I'm calling
I want you

Sugar

Said I like the way (like the way) Said I like the way (like the way) You sail your ship down Let me be your cargo

I won't wear you down
No honey I won't

Wear you down
