You Know Who I Am

Leonard Cohen

I cannot follow you, my love, you cannot follow me. I am the distance you put between all of the moments that we will be.

You know who I am, you've stared at the sun, well I am the one who loves changing from nothing to one.

Sometimes I need you naked, sometimes I need you wild, I need you to carry my children in and I need you to kill a child.

You know who I am...

If you should ever track me down I will surrender there and I will leave with you one broken man whom I will teach you to repair.

You know who I am...

I cannot follow you, my love, you cannot follow me. I am the distance you put between all of the moments that we will be.

You know who I am...
