

## Someday

Lesley Gore

Someday I'm going to get where I'm going  
Somewhere past the blindness of my faith  
I keep my eye on the plans I've made  
And someday I'll get there

Past the smiles that crack like frozen lakes  
Under children's figure skates  
I'm going  
Past all of my own mistakes  
A thousand more I've yet to make  
But I'm going  
I'm gonig

I'm going to get there  
I know it

I do not care how long it takes  
I do not care what stands in my way  
I don't care what anybody has to say  
I know myself  
I know myself and I am not afraid  
And someday  
I'll get there

I'm gong to get there  
I know it
