

Mellie's Coming Over

Letters to Cleo

Mellie's Coming Over

And as I stood in the place
Where I once saw a friend standing,
I didn't mean to run away from you.
I almost lost the chance to save myself.
Mellie's coming over; she's coming over;
Mellie's coming over, yeah.

Not really lucid but wide awake,
A kind word to snap me out of
It is all that I know it would take from you,
If I knew you really wanted to.
Mellie's coming over; she's coming over; Mellie's coming over,
yeah.

Hey, where's everybody going?
You can't leave me all alone when
It's been such a long time since I've had this much to say.
Hey, where are you going?
You can't leave me alone
And I guess I feel a little silly but Mellie, can't you stay a
little while?

Mellie's coming over; she's coming over; Mellie's coming over,
yeah.
Mellie's coming over; she's coming over; Mellie's coming over,
yeah.
