

## Unstable

Level

That's right, the pain keeps coming  
So move it back, until you're five-feet from it  
That's right, the pain keeps coming  
So move it back, until you're five-feet from it

My hands are tied, but at least I try  
'Cause I'm willing and able  
Tell me why, is this mind so unstable?

This'll hurt worse than the first time  
I'll take another blast, for the last time
