Free all my niggas today
Free all my niggas today

Free my OG,
Free my nigga out there in the streets
Free my old bro,
Free my young nigga, free the bro bro
Lock down old dough
Free my young boy, free my young nigga
Free my hoe, free my bitch, free my life.

They try to tape roll down,
Bro got ten, bro got burn,
Bro got took down, bro house got rated,
Bro too solid, bro got caught up,
Now you're getting tax, bro got sin,
Bro fin the tape to bench, damn
My nigga in court looking sick, damn.

Free my young nigga out there doing things, bro no

Free my OG out there doing 10 like damn,
Free my older brother caught with the jones in the air like damn
