

## Pay Attention

Lil B

I happy Halloween, man!  
I happy Halloween, man!  
You see the niggas outside?  
Niggas trying to get some candy tonight  
Fuck, anybody give nigga shit tonight, bro!  
Fuck, I got the healing!

I'm a take the dark out of them speakers  
Come upon them bricks when I was looking for  
Many seconds on my my mind it made me shine  
Why you call my phone, bitch, and I got that beeper  
He do it all my life, said he got that cheaper  
Jordan, man you know that he got them snickers  
You niggas wanna play, I'm a show them the...  
The pistol make the whole room turn to a freezer  
Why you mother fucked the whole, you bring me a squeezer  
White dope in my nose, playing with...  
... I start to look like a troll  
I'm a seat at the top, put the bottom  
Niggas ain't on me, talking all that way  
If you got it, then I need it, I'm gonna pay that fee  
I'm playing on defense the street shit  
Keeping one on each clip!  
I got the same line  
Got a mask on in the hood, we're sick!  
Got them bags all in the car where you sit  
Sleep shit, same shit, he came shit, a shit!  
Niggas wanna rap the gangsta  
Fuck that my back! You feel me?  
You're watching your kids, and I'm talking about my life  
I'm talking what it is, but you been saying what's right  
You're talking about the world, I'll be by the crib  
Niggas gonna go to jail to smoke me like a...  
Emotional, cause I'm focused, my life is opened  
Doors closed, bitch! But my bike is rolling  
Like climbing to the top, I'm going!  
Gotta respect the legend!  
Your mother fucking presence!  
Yeah, I've been the gift, so I've never been the presence  
Check my message, I ain't even left a message, bitch!  
Text message these  
But I might not even do that  
Pay attention!
