Gimme that good dick (give it to me) gimme that good dick (uh, uh)
Gimme that good dick (give it to me) that fine-ass good dick (yea, yea)

Yo, now every lil' slut with a butt wanna jump on me
I'll teach 'em how to hump when they fucks with me
I ain't done at one nut, bitch I dump all three
Slurp it all up when you suck on me cause see
I got the cleanest, meanest, penis
Ask Keisha, she the one who seen dick
Keish' told Pam, Pam can't keep a secret
So all the hoes know my dick game quite decent
Tie 'em up, hit 'em with wax from candles
Don't stop, I get it like Luther Campbell
I'm the damn dude, that will ram you
so damn hard it'll leave your ass blue
Meat slinger, my meat stings ya
Bitch thought I stuck her with a damn meat cleaver
Want me to freak ya? Wait for me to skeet ya
Dick comes around once again like Easter
Bitches flash me they thong and panties
Then they ask me to do the nasty
Wanna thrash me then don't walk past me
And when you pass me just holla at me and say

Gimme that good dick (give it to me) gimme that good dick (uh, uh)
Gimme that good dick (give it to me) that fine-ass good dick (yea, yea)
(Gimme that pussy) (give it to me) (gimme that pussy) (yeah, yeah)

Dudes stay hard, don't need Viagra
My beehive gags ya, when it grabs ya
Pussy get wetter than the whole Niagara
Boys get hooked first time they taste this
I lick dudes in all the right places
G's got cases, tempted to take this
Kitty cat so mean turn dudes into rapists
Niggaz flash me they jewels and cash and

Seen my dick, and thought it was the bedpole
(One dude went crazy y'all)

Some broads they can barely walk when I'm done with 'em
Call the ambulance man to come get 'em
