"What you see, is what you get"

Ay - I know you see me on the screen now - riiight I know you see me do my thing now - true Tryin hard not to stare, actin like I wasn't there to you Can you see me now? Am I clear to you? On the red carpet in Mark Jacob's clothes You see me fashion week, front row at all the shows In your favorite fashion magazine they feature the Queen On the cover of Don Divas, doin spreads with Eva When we walk down the street, dudes call us the covergirls We stand out when we next to them other girls I don't bend easy, budge or break Trust me, ju don't want it with the female Scarface Your girl come through twirlin in droptop 'Rossa Me and my la familia like a "Goodfellas" poster You see I'm somethin you never seen befo' I know you see me cause I'm somethin that you came to know, ohh

Dipped fresh, hoppin out of a Rolls
In the town, ballin out of control
V-V-S's set in platinum and gold
Standin room only, all of my shows
Applebottom bustin out of my jeans
On the screen with the man of your dreams
Front page of your new magazines
Ay show some love, papers stack, I'm the Queen bitch

And you should see me in the summertime, stretched out in one of my droptops all you hip-hop bitches borderline I'm livin off of your man, he supportin ma you'd kill me if I give you the chance, bitch I was born to shine While you on your grind I'm on, beachfront property Thirty-eight snub nose, keep the snitches off of me Look the rest of your life, ain't gon' find a bitch as raw as me Grateful's what you oughta be, I heard somewhere it cost to be the boss and I paid it, floss with the greatest Ball outrageous the broad is amazin In the 6, grippin woodgrain lane changin You coach flyin hoes need boss bitch trainin I'm muy caliente, sizzlin hot flame In private planes to Spain and you barely maintainin You ain't talkin millions you ain't speakin my language The Queen of the game and can't a damn thing change it
