Fuckin', fuckin'
Fuckin', fuckin'
Fuckin', fuckin'
Fuckin' with the Teflon bitch from the Stuy

Ms. White, that bitch with a thousand looks Come through with a thousand crooks I just know what it takes to get this money like Blow Catch a body, get a face lift, disappear like Pablo Ya'll niggas think I won't jump in the heap Well let's dance, you lames are finished I serve all ya'll cowards like a game of tennis Act like you want some of this and I'll give you the business You see the yellow and black, you know what it's about Wrinkled assed niggas gets ironed, to straighten you out I got thugs in the east, thugs in the south That'll stick with the AIDS needle and piss in your mouth I kept 'em on a leash and now it's time to let 'em out Better pray to Jehovah, the game is over Don't ever, ever, ever underestimate Lil' Kim the postergirl at 718 Ride outta town with my nigga, holdin' his weight After it's cooked, chopped in eights the size of plates You bitches ain't been through shit, you just minors What you know about stuffin' half a bricks in your vagina It's the dick licker, it's the baby sipper Ain't a bitch alive can make a nigga cum quicker Baby girl's pussy get wetter than a shower cap Got my mans back like a Jansport napsack And Queen Bee gon' bring you nothin' but heat Homicide is lookin' for me for killin' these beats You in the wrong department, this the upperclass section You hoes is startin' to irritate me like a yeast infection Good heavens, somebody get the Monostat 7And hit me why don'tcha, hit me why don'tcha The boss lady, I hold it down for my badies Rappers better run and hide 'cause here comes the Beehive

It's your boy, Money Cash, I get love in the streets
Breathin' dro colored Benz's with dutch colored seats
Lay in the crib on Tuesdays, duckin' the sweep
Nigga jump off, then get pumped off your feet
I'm like Rostein, low key and brilliant with numbers
I'm tryna blow sticky in Brazil with the Hummer
If you spittin' and I'm grippin' this tech
Then that's 32 shots, our throwback's like Mitchell and Ness
Man, I'm a project nigga, still piss on the steps
And keep the brim on my fitted a little twist to the left
I play the block, fifth in my sweats, reppin' my set
It's Rossie from the pharmacy, get it correct

It's young Goldie, the Advakid, put you to rest
I ride around with two 38's tucked in my sweats
A pump in trunk and a nine under the seat
Enough ammo to blow the earth from under your feet (Beehive)
And we got cake for killas like Hyde and Jeckyl
Snippers put red dots on your face like freckles
Don't make me have to reach for the lead
You'll think the bullets was rain drops how they all hit your head

I'm that slim kid that they say is probably hot
She only with me 'cause of what she think I probably got
Am I gon' be with her for long, probably not
Unless you're cute and suck a dick like a lollipop
Niggas talk about guns and they just bust caps
Niggas talk aboit ki's whey they just flip packs
When it come to my money, suggest you gimmie that
'Cause you know bullets fly in pairs like Petey Pab
