Now a party ain't a party 'til the Queen come through
You know where I go, man the team come too
Pull up in the Phantom or the V-1-2
Lil' Kim's that girl, even got her own shoe
In the club with my clique though, glass full of Crist-al
In the jail jumpsuit, still a bad bitch though
Rose from the ghetto it was hard from the get go
Then I showed the hood the world ain't just made for rich folk

Get'cha little dance up, BK stand up Straight to the dancefloor, everybody hands up Throw it up, get down, fellas hold your pants up Ladies throw it right back, tell that nigga man up

My niggaz, pull triggers, stack figures whoa whoa whoa Snitch niggaz, broke niggaz not my niggaz no no no In the club we, sippin Dom P, sittin lovely oh whoa whoa Sexy ladies, goin' crazy, 'cause the beat's like whoa whoa whoa
