Hello my children, hahahaha, gather 'round I got somethin' that I wanna say to you I think it's about time we over come these fucked up rules And make the real hell on Earth, hahaha So listen up, get any motherfucker that you can And bring him back, haha, yeah

If your ass wants to live another day Get the fuck out of my way when I lyricly slay Bring it on all my foes Mr. Shadow be the one that be killing mothafuckas Like told shove em all in holes Like a ghost i'ma hauncha mothafuckas make the stories tie I can hear the cries I can hear when you bring it with more jealousy I give a bullet and begin to do the fool like I do that vatos mine To the night with a sight when I look the moon is full and get tool and look for my foe Got that five footed star on my chest so you know what I'm looking for Murder you heard of me makin it dark like an eclips Like "Tales From the Crypt" I come equipped with the triple six And I'm bound to get sick It's The evilest lyricist bringing this wickedness nemisis Giant on my premisis withnessin part like the Exorcist Cause I'm comin to get em like every day You run and you can hide but you won't get away It's the game that I play like the Ouija board You can't see me but you will believe me, and need me If you look a little closer you can see The Shadow of a demon appearin I'm hearing the voices that tell me to do the evil shit that I do And you know that I'm due so I do when I cast my spell on you The evilness just fell on you and I'm the perfect fool to wish HELL ON YOU

Tonight, 781 to your area You know it's gonna happen tonight But of course, 781 to your area

Creepin up on your ass you won't even see or hear me coming
Be running I'm becoming some thing evil fuck people fuck sequals
Got to get the murder done now, all I see is the fear in your eyes
The tear in your eyes, you're terrorized
Don't be surprised, I see my reflection like a mirror in your eyes
Every thing gots a price, but you got a price to pay
I sold your life away, and so I slice away
Dealin with your life I took your strap, your price is right
Could tonight be the night that I feel some thing come over me
I don't know what it is with a devilish grin
Foes and friend and bloody sin
Don't know when it's gonna end
Just like a puppet on a string he be controlin me
I try to be cutting those string but like smokey he gots a hold on me

Thats the fool that rolled on you Thats the fool that stoled on you What the fuck you gon do Fuck it I'll do it for you

I'm having a conversation with somebody whos not even there

Hearin the voices inside my head saying you'll get no where he you care I be the Lil'' Rob going insane when he calls me name I'm hearing voices in my head and every night I do what says

Lil'' Rob... tonight is the night I better listen to my master It's good bye, tonight is your night You should of never messed with me Never mess with, maricon

It's the satanical, magical Lil'' Rob and The Shadow
We're coming at you like horns my mother regrets I was born
And I know you like it like porn treat the streets like hors leave em torn
In drop my rhymes like the storm when it rains it pours
I take form and I...

Hit the streets looking all nice and neat top fully creased
One hell of a looking beat the least of my feats from west to east
From north and south not knowing what it's all about top me on scout
Looking for my new recruits to follow my foot steps down my route
If you're not in you're out, to know what I'm feeling
I'm beggin you to stay and if you wanna come play
But if not your better pray cause I'm coming your way
TRUCHA

Crimes pays when ever the fuck I inflict pain with pick
And I'm coming to stick you let satin be with you
Nobody will probably miss you when I diss you
If you want to fuck around with these two blad headed mothafuckas
That'll leave you in the mist when I clutch my fist
I'm pist you missed Apocalypse, I can't resist the bloodyness
The mess ain't over on 31st of October, I toldcha
The Virgin Mary won't hold, I'll scoldcha and moldcha into a deamon screamin
I'm leavin you sufferin wonderin why
I have a tail a pair of horns and glowin eyes
Baptisted in boiling water fuck the father I fucked his daughter
I got her under my wing, it ain't no thing now let the Devil sing

I'm back

So now you know that you're gonna fuckin burn in hell Tell what you think then I will meet you at the crossroads, yeah
