Lil' Wayne

Baby understand me now  
If sometimes you see that I'm mad  
Don't you know no one alive can always be an angel  
When everything goes wrong, you see some bad  
But I'm just a soul whose intentions are good  
O lord please don't let me be misunderstood

Misunderstood ain't gotta be explained  
But you don't understand me so let me explain  
Stood in the heat, the flames, the snow  
Please slow down hurricane  
The wind blow, my dreads swang  
He had hair like wool, like wayne  
Dropping ashes in the bible  
I shake em out and they fall on the rifle  
Scary, hail mary no tale fairy  
All real very, extraordinary  
Perry mason facing, the barrel if he tatttle  
My God is my judge, no gown no gavel  
I'm a rebel, down to battle  
Now or never, I would never?  
Fucking fantastic, fuck if you agree  
But I don't give a fuck if you see me

I'm just a soul whose intentions are good  
O lord please don't let me be misunderstood

What's understood ain't gotta be explained  
So for those who understand meet Dwayne  
For 8 and a half months I gave ms. Cita pain  
Now it's young money baby, keep the change  
My mama say fuck em and we the same  
So hello mothafucka you got some sheets to change  
And ain't it funny how people change like easter sunday  
You know church fit then outfit,  
Bright pink and green chest look house lit  
Bright pinky rings but that ain't about this  
What you bout bitch  
Excuse my french emotion in my passion  
But I wear my heart on my sleeve like it's the new fashion  
What are you asking, if I don't have the answer  
It's probably on the web, like I'm a damn tarantula  
But I know you don't understand, cause you thought lil wayne is weezy  
But weezy is dwayne

I'm just a soul whose intentions are good  
O lord please don't let me be misunderstood

I was watching t.v. the other day right  
Got this white guy up there talking about black guys  
Talking about how young black guys are targeted  
Targeted by who? america  
You see one in every 100 americans are locked up  
One in every 9 black americans are locked up  
And see what the white guy was trying to stress was that  
The money we spend on sending a mothafucka to jail  
A young mothafucka to jail

Would be less to send his or her young ass to college  
See, and another thing the white guy was stressing was that  
Our jails are populated with drug dealers, you know crack/cocaine stuff like  
that  
Meaning due to the laws we have on crack/cocaine and regular cocaine  
Police are only, I don't want to say only right, but shit  
Only logic by riding around in the hood all day  
And not in the suburbs  
Because crack cocaine is mostly found in the hood  
And you know the other thing is mostly found in you know where I'm going  
But why bring a mothafucka to jail if it's not gon stand up in court  
Cause this drug ain't that drug, you know level 3, level 4 drug, shit like t  
hat  
I guess it's all a misunderstanding  
I sit back and think, you know us young mothafuckas you know that 1 in 9  
We probably only selling the crack cocaine because we in the hood  
And it's not like in the suburbs, we don't have what you have  
Why? I really don't wanna know the answer  
I guess we just misunderstood hunh  
You know we don't have room in the jail now for the real mothafuckas, the re  
al criminals  
Sex offenders, rapists serial killers  
Don't get scared, don't get scared
