Ah hmmm hmmmm Hmmmm Hmmm

When I say I don't give a fuck I mean that yeah ...brains is getting bust I didn't say that yeah If a shipment was comin in I need a ... wodie I need a sixty-forty nigga And no chargin' that wodie You done heard about Michael Jackson And shiggidy shit But you ain't never heard about me When i'm flissin a bitch Niggas shoulders gettin knocked Clean off of they head See that red dot comin from Me and my girlfriend Cause I wants mine I needs mine And i'm about to get mine At these times Look lil' daddy You ain't got to worry about none of these other niggas You needs to be worried about when Juvi comin to get ya Look, I make a phone call to the big dog Y'all bitches better handle y'all business before I hit y'all Even though a nigga rich and i rock ice I still bust a nigga head on the block aright

It's enemy turf that i'm on So i'ma play it how it go Cock the hollow points And tote my black calicoe My lil' brother Weezy (2x)

My big brother Juvi Four hit the blocks Strapped up with the Uzis

What, What, La
Gun for gun
Eye for eye
Better move yo' wife and son
'Cause i ride or die
Cashmoney Hot Boy
Bless me when i'm gone
But until then load up the chrome cause it's on
I been bout it
Put a ...
I drop the top and then i flip I hit his cock and make 'em flip
And i be full of that trash
i be the first one to jump out the jag bust at 'em fast
Watch the bullets chop off the head
And make 'em fall in the grass

One move they all die
Lil' Weezy small frie
Guerilla when it's war time
Y'all better learn
When this nigga shoot it'll be all hell
Well then let 'em burn
...

Seven churn and i be damn if i let 'em go
If i don't get my dough
Then hell will be all blowin'
'Till i R.I.P CMR i be
I put it down for all my peeps
Nigga, i'm HB for real

It's enemy turf that i'm on So i'ma play it how it go Cock the hollow points And tote my black calicoe My lil' brother Weezy (2x)

All i know is the streets And how to strap up When it's time shoot it Cock yo' heaters Tie up yo' bags It's time to do it Blaze the blunt Shut off the lights And cut down the music Roll down the windows Turn the corner And let loose with the bbbbrrrrrr If ya don't know now Then ya never will learn You ca play with Lil' Wayne And yo' block get burned You must love to go swimmin Cause tha water gets deeper See i bust you wide open And take 'ya daughter with me Here come the beat boy Shoot out the street lights Time to bring on the heat boy If you ain't really wit it Then you better get back I open yo' chest And make it look just like a wet cat This is a death trap i'ma a guerilla and i mean it leave ya' head still in a beanin' ... on the semen Calicoe steamin' Red dot beamin' Dressed up suspicious Play with lil' Weezy you'll be ... for the vicious

It's enemy turf that i'm on So i'ma play it how it go Cock the hollow points And tote my black calicoe My lil' brother Weezy (2x)

Enemy Turf
Time to strap up
What
