

Dreamland

Lillix

Deep down
In my dreams
Meet you in fantasy
Somewhere
Out there
We live forever

Take me to your land
Of castle
I wanna go
Touching
Thinking
Heart is beating

Chorus:
Sleeping in with you
That's all I wanna do
Sleeping in with you
That's all I wanna do

Breathless
Falling free
Through the clouds
Of ecstasy
Your hand
My hand
Never landing

Sleeping in with you
That's all I wanna do
Sleeping in with you
That's all I wanna do.
