Dreamland

Deep down In my dreams Meet you in fantasy Somewhere Out there We live forever Take me to your land Of castle I wanna go Touching Thinking Heart is beating Chorus: Sleeping in with you That's all I wanna do Sleeping in with you That's all I wanna do Breathless Falling free Through the clouds Of ecstasy Your hand

Sleeping in with you That's all I wanna do Sleeping in with you That's all I wanna do.

My hand

Never landing
