

All To You

Lincoln Brewster

Yea!

You called me lord, you know my name
I'm standing now, I'm not ashamed
I've searched and came up empty
This world has nothing for me
You are my one and only

I'm living my life for you
I'm giving everything to you
Not holding back, but every part
I'm giving it all to you

huh(giving it all to you)

You are the lord, of all I am (yes you are lord)
I'll never be the same again (no no)
I've searched and came up empty
this world has nothing for me
You are my one and only

I'm living my life for you
I'm giving everything to you
Not holding back but every part
I'm giving it all to you

I'm living my life for you
I'm giving everything to you
Not holding back, but every part
I'm giving it all to you
Huh (giving it all to you) (whoa)
(come on put your hands up)

I'm living my life for you
I'm giving everything to you
Not holding back, but every part (oh sing it out)
I'm giving it all to you

I'm living my life for you
I'm giving everything to you
Not holding back, but every part
I'm giving it all to you
(Giving it all to you) (whoa)
