

Drum Song

Linkin Park

The little things give you away
The little things give you away
The little things give you away

You don't believe in me do you
I mean nothing to you
The little things give you away

Don't even care what your breaking
And I'm not mistaking
The little things give you away

The little things give you away
The little things give you away

You don't believe in me do you
I mean nothing to you
The little things give you away

Don't even care what your breaking
And I'm not mistaking
The little things give you away

The little things give you away
The little things give you away
The little things give you away
