## **Points of Authority**

Forfeit the game Before somebody else Takes you out of the frame And puts your name to shame Cover up your face You can't run the race The pace is too fast You just won't last

You love the way I look at you While taking pleasure in the awful things you put me through You take away if I give in My life My pride is broken

You like to think you're never wrong (You live what you've learned) You have to act like you're someone (You live what you've learned) You want someone to hurt like you (You live what you've learned) You want to share what you have been through (You live what you've learned)

You love the things I say I'll do The way I hurt myself again just to get back at you You take away when I give in My life My pride is broken
