

Night And Day

Lisa Ekdaahl

Like the beat beat beat of the tom, tom
When the jungle shadows fall
Like the tick tick tock of the stately clock
As it stands against the wall

Like the drip drip drop of the raindrops
When the summer showers is through
So a voice within me keeps repeating you, you, you

Night and day, you are the one
Only you beneath the moon and under the sun
Whether near to me or far
There's no matter, darling, where you are
I think of you night and day

Night and day, why is it so
That this longing for you follows wherever I go?
In the roaring traffic boom
In the silence of my lonely room
I think of you night and day

Night and day, under the hide of me
There's an, oh such a lonely yearning burning inside of me
And its torment won't be through
'Til you let me spend my life making love to you
Day and night, night and day

Night and day, under the hide of me
There's an, oh, such a lonely yearning burning inside of me
And its torment won't be through
'Til you let me spend my life making love to you
Day and night, night and day
