I'm as free a little bird as I can be I'm as free a little bird as I can be Gonna build my nest in a big oak tree Where no one can never bother me

If I was a little fish
I'd never bite a hook or a line
No I'd swim way out to the middle of the sea
And leave all you big fish behind

If I was a mole in the ground
If I was a mole in the ground
I would roop that mountain down
If I was a mole in the ground

I'm as free a little bird as I can be I'm as free a little bird as I can be Gonna build my nest in a big oak tree Where no one can never bother me

Take me home, little bird, take me home Take me home by the light of the moon With the moon shining bright And the stars are getting light Take me home, little bird, take me home

I'm as free a little bird as I can be I'm as free a little bird as I can be Gonna build my nest in a big oak tree
