

# Lucky Me

Lisa Loeb

Lucky me  
how bad could it be  
to be alone for now  
to be free

Oh, don't cry  
the time, it passes by  
just think of what you'll get when you're past this

So is it alright if I go?  
Is it alright if I go?

Oh, don't cry  
just think about the end  
I'll find my best friend  
at last

Lucky me  
I'm ready for a ride  
I'll jump off and take a drive  
today  
So is it alright if I go?  
Is it alright if I go?  
Is it alright if I go?

Oh, don't cry  
it's time to say goodbye.

So is it alright if I go?  
Is it alright if I go?
