

Stay (I Missed You)

Lisa Loeb

You say
I only hear what I want to
And you say
I talk so all the time, so

And I thought what I felt was simple
And I thought that I don't belong
And now that I am leaving
Now I know that I did something wrong
'Cause I missed you
Yeah I missed you

And you say
I only hear what I want to
I don't listen hard
I don't pay attention
To the distance
That you're running or to
Anyone anywhere

I don't understand if you really care
I'm only hearing negative, no no no, bad

So I, I turned the radio on,
I turned the radio up
And this woman was singing my song
Lovers in love and the other's run away
Lover is crying 'cause the other won't stay

And some of us hover when we weep
For the other who was dying
Since the day they were born, well
Well, this is not that
I think that I'm throwing
But I'm thrown

And I thought I'd live forever
But now I'm not so sure
You try to tell me that I'm clever
But that won't take me anyhow
Or anywhere,
With you

And you said that I was naive
And I thought that I was strong
I thought, "hey, I can leave, I can leave"
Oh but now I know that I was wrong
'Cause I missed you
Yeah, I missed you

You said, "you caught me cause you want me
And one day I'll let you go"
You try to give away a keeper
Or keep me 'cause you know you're just so
Scared to lose

And you say,

"Stay"

You say

I only hear what I want to
