```
Oh, I can't feel my head
All I see is the color red
Oh, if you hold me hand
Feel me tremble you'll understand
```

I'm gonna explode
I'm f\*cking gonna explode

Oh, if you feel my hands
All I see is the color red
Oh if you held my head
Feel me shake the you'd understand

Doesn't it feel good Doens't it feel good Does it feel good

Doesn't it feel good Doess't it feel good Does it feel good

Doesn't it feel good Doens't it feel good Does it feel good
