

Piece (Hell Yeah)

Lita Ford

36' 24' 36' That's right
Long blonde hair and a body that's tight
Got my guitar play it loud as hell
When the boys watch me play, their privates start to swell
Everybody wants it, yes they do
Everybody wants it and so do you

Everybody wants a piece of me baby
Woo woo woo - woo woo woo
If you want it, say hell yeah (HELL YEAH)
Everybody wants a piece of me, baby
Make you loose your mind
Woo woo woo - woo woo woo
If you want it, say hell yeah (HELL YEAH)

I'm the real deal with sex appeal
I rock this guitar - I play with feel
Dangerous curves with a deadly kiss
With looks like this, how could I miss
Poppin' like a cherry bomb almost obscene
Rock n' Roll Royalty bow to your Queen
Everybody wants it mmm You damn right
Cause the bitch is back - gonna rock you tonight

Everybody wants a piece of me baby
Woo woo woo - woo woo woo
If you want it, say hell yeah (HELL YEAH)
Everybody wants a piece of me, baby
Make you loose your mind
Woo woo woo - woo woo woo
If you want it, say hell yeah (HELL YEAH)

Lookin' at you lookin' at me this ass is my man's
and so is my pu-(meow)

Full of tattoos and trained to kill
He don't wanna hurt you but trust me, he will
Bow down, in a trance - hypnotized you sucker

If you want it, say hell yeah (HELL YEAH)
